The generosity of the Frank and Hazel Larimer Family has allowed Way Public Library to offer a service to teachers. Mrs. Larimer was a former teacher who placed great value upon children, books and reading. Creating lifelong readers is a goal of the entire Larimer Family.

Way Public Library has developed classroom sets, each offering twenty-five copies of a single title along with unabridged audio CDs or cassettes of the book for use with auditory learners. The titles of the books were selected with input from teachers and by the professional staff at Way Public Library. An effort was made to choose books appropriate for boys and girls in the first through sixth grades; however, they are not limited to those grade levels. Any teacher may use any of the collections. The books are housed in a wheeled tote bag and are available to check out for four weeks. They can be renewed for two more weeks by telephoning the library.
